Baton Rouge, LA 70804-9275

RE: 17,900' Tuscaloosa Sand, Reservoir A  
Morganza Field  
Pointe Coupee Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **ENERGY PRODUCTION CORPORATION** for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters related to the **17,900' Tuscaloosa Sand, Reservoir A**, in the **Morganza Field**, Pointe Coupee Parish, Louisiana, for which rules and regulations were established and drilling and production units were created by Office of Conservation Order No. 1102, effective October 20, 1980, as amended and supplemented by the 1102-A series of Office of Conservation orders, to-wit:

1. To permit the applicant, Energy Production Corporation, to drill, designate, and utilize an alternate unit well for the 17900 TUSC RA SUC at the location shown on the plat attached hereto and made a part hereof, which is an exception to the spacing provisions of the 1102-A series of Office of Conservation orders.
2. To grant a single unit allowable for the 17900 TUSC RA SUC and to permit the operator of this unit to produce said unit allowable from either the unit well, the alternate unit well, or both, at its discretion.

3. To consider such other matters as may be pertinent to this application.

The 17,900' Tuscaloosa Sand, Reservoir A, in the Morganza Field, Pointe Coupee Parish, Louisiana, was previously defined in Office of Conservation Order No. 1102, effective October 20, 1980, and was redefined by Office of Conservation Order No. 1102-A, effective October 27, 1981 and was further defined by Office of Conservation Order No. 1102-A-10, effective September 19, 1995.

Any pertinent data relating to the 17900 TUSC RA SUC and the proposed alternate unit well can be obtained AT THE COSTS OF THE REQUESTING PARTY from Frank W. Harrison, Jr., 200 Audubon Blvd., Lafayette, La. 70503 (337) 232-4031.

There is attached hereto and made a part hereof a plat which reflects the boundaries of the 17900 TUSC RA SUC, the location of the current unit well and the location of the proposed alternate unit well, as well as a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom this proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District of the Office of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, there is also enclosed our check in the amount of \$755.00, made payable to the Office of Conservation, in payment of the required hearing application fee.

Very truly yours,

  
RANDALL C. SONGY
